The Resident Wellness Office

ABOUT US

RWO Statement on Racism, Inclusion, and Equity

The Resident Wellness Office is committed to providing support to residents at UBC. Echoing the sentiments of PGME, the RWO stands in solidarity with residents who are unrepresented, underprivileged, oppressed, and unheard. The RWO is committed to supporting PGME to address, tackle, and prevent systemic racism. Please visit our [RWO Inclusion & Equity Resource Page](#) and our [RWO Anti-Racism Resource Page](#) for further information and resources.

Overview

Over the course of your time as a resident you will face numerous pressures — both professional and personal.

The Resident Wellness Office is committed to creating a culture of wellness in the Faculty of Medicine's residency programs. The RWO offers free, confidential, counselling and support services for residents and Area of Focus Competency Fellows.

Here at the Resident Wellness Office (RWO), we're here to listen and support residents in a variety of ways throughout the residency process.

Some Reasons to Contact the RWO

- ◆ Seeking support around stress and time management
- ◆ Improving communication at work and with loved ones
- ◆ Learning ways to manage moods (depression, anxiety etc.)
- ◆ Support in dealing with a loss or life transition
- ◆ Support with a challenge related to residency
- ◆ Seeking peer support or culturally appropriate supports

The Resident Wellness Office

ABOUT US

Services Offered

The Resident Wellness Counsellors are able to assist you with a range of personal and professional concerns. The program has been created to promote and support health and wellness amongst medical residents.

A counsellor can help you work through and cope effectively with concerns such as stress and time management, anxiety, depression, career concerns, and life transitions. Speaking with a counsellor can help to bring clarity to situations and shed light on new ways of dealing with them.

The Resident Wellness Office provides the following services to current residents and their partners:

- ◆ In-person, telephone, and Zoom counselling
- ◆ Group support, Peer support and Elder support
- ◆ Referrals to community resources and other helping professionals
- ◆ Workshops on relevant health and wellness topics
- ◆ Up-to-date online resources (website and wellness blog)
- ◆ Community events

Locations

The Resident Wellness Office has virtual and in person locations. Each counsellor has their own virtual Zoom “office”; you will be provided with this regular link when you book a counselling session so residents in any location can access services at any time via Zoom or telephone. We also provide in-person support at the following sites:

- ◆ Diamond Health Care Centre, Vancouver (Monday-Friday)
- ◆ Surrey Memorial Hospital (Thursdays, bi-weekly)
- ◆ Royal Columbian Hospital (Wednesdays bi-weekly)
- ◆ Kelowna, Victoria, Strathcona, Prince George, Nanaimo, Chilliwack, Abbotsford, Kamloops, Penticton (site visits scheduled several times per year)

The Resident Wellness Office

ABOUT US

Meet the RWO Staff

Dr. Dianna Louie, MD, FRCPC, PGME Faculty Lead for Resident Wellness

Dr. Dianna Louie is a Pediatrician at BC Children's Hospital and has a pediatric practice in Richmond. She completed her medical school training and pediatric residency at the University of British Columbia. She is the Faculty Lead for Wellness through UBC's Resident Wellness Office.

Dianna has been passionate about resident wellness and mindfulness since her own residency. She feels it is so important to empower residents to find joy in their work and be kind to themselves. Dianna is a critical link between the resident body and the program administration advocating on behalf of the residents for increased program support for current and proposed initiatives. She is enthusiastic to introduce new approaches to physician health in residency. She currently is researching resident burnout and resiliency.

Dr. Louie has won the 2016 Resident Doctors of Canada Puddeste Award for Resident Wellness for her contribution to resident health at BC Children's Hospital. She also received the inaugural UBC PMGE Faculty and Staff Wellness Award.

Rebecca Turnbull, M.Ed., RCC, Resident Wellness Counsellor

Rebecca Turnbull is a Registered Clinical Counsellor with the BC Association of Clinical Counsellors. She holds a Master of Education in Counselling Psychology from Simon Fraser University and a Bachelor of Arts Degree in Psychology from the University of Victoria.

Rebecca's approach to counselling is to work collaboratively with her clients, drawing on their strengths to help them establish and achieve their goals. Rebecca draws on evidenced based practices and she tailors her techniques to meet the individual needs of her clients. Rebecca is passionate about helping clients improve success, awareness, and health within themselves and their interpersonal relationships.

Elizabeth Sabine, M.Ed., RCC, Resident Wellness Counsellor

Elizabeth Sabine is a Registered Clinical Counsellor with the BC Association of Clinical Counsellors. She holds a Master of Education in Counselling Psychology from Simon Fraser University and a Bachelor of Arts Degree Major in Psychology and Minor in Counselling and Human Development from Simon Fraser University.

Elizabeth uses a client-centred, evidence based approach and works to provide a safe, encouraging, and non-judgmental space for clients to explore their inner thoughts and feelings. Elizabeth has post graduate training in Acceptance and Commitment Therapy, a mindfulness and values based approach to living. She helps clients to learn practical day-to-day coping strategies and is passionate about helping clients build on their strengths and resiliencies to lead a healthy and fulfilling life.

The Resident Wellness Office

ABOUT US

Meet the RWO Staff

Nish Laszczuk, MSW, RSW, Resident Wellness Counsellor

Nish Laszczuk is a Registered Social Worker with the BC College of Social Workers as well as the Ontario College of Social Workers. She holds a Master Degree in Social Work from the University of Toronto and a Bachelor of Arts Degree in Psychology from the University of Waterloo.

Nish has post graduate training and certification in Cognitive Behavioral Therapy, as well as training in Mindfulness, Dialectical Behavioral Therapy, and uses a trauma informed lens. Nish's approach includes drawing from various therapeutic modalities to work collaboratively with clients to tailor therapy to address their own personal and unique needs. Nish helps clients navigate what they want to work on and helps support them in approaching and accomplishing their goals. She uses a gentle, and non-judgmental approach while challenging and supporting clients when they are ready. She provides a safe space that helps clients feel comfortable and draws from an anti-oppressive and feminist lens.

Bronwyn Taylor, BAsC, Resident Wellness Program Coordinator

Bronwyn Taylor holds a Bachelor of Arts and Science with a self designed major focusing in both Psychology and Art from Quest University Canada. Bronwyn has a background working in mental health and is an advocate for outlets to health and wellness, creative expression, and human connection. She is passionate about the arts as a tool for self discovery, empowerment, and a mechanism for sustainable wellbeing.

Bronwyn is available to answer general questions about the Resident Wellness Office, wellness events, coordinate group supports for programs, schedule counselling appointments and take feedback about the Resident Wellness Office services.

The Resident Wellness Office

FAQs

Who can use Resident Wellness counselling services?

The Resident Wellness Office offers counselling services to UBC medical residents, subspecialty residents, and Area of Focused Competency Fellows.

Where is the Resident Wellness Office?

The Resident Wellness Office has virtual and in person locations. Each counsellor has their own virtual Zoom “office”; you will be provided with this regular link when you book a counselling session.

Vancouver Offices are located on the 10th floor of the Diamond Health Care Centre.

The Surrey Office is located on the 3rd floor of the Critical Care Tower, room 3-622, in Surrey Memorial Hospital.

The Royal Columbian Hospital Office is at UBC Medical Education, Room 009.

When are the counsellors available?

Resident Wellness Counsellors are available Monday—Friday. Hours of operation may vary depending on clients’ needs, and early morning appointments are available. Appointments are available in person, via Zoom, or over the telephone.

Please complete our Appointment Request Form to seek a counselling appointment that would be appropriate with your schedule.

[Request Counselling Appointments Here!](#)

What about confidentiality?

Counselling services are confidential. Information about you, the type of counselling services you access, and the context of your counselling sessions cannot be released without your written permission, with the following exceptions:

- information indicating that you may constitute a risk to yourself or to others
- information indicating that a child is in need of protection
- information that leads to concerns about public safety
- other statutory or common-law provision that requires or authorizes the release of

Do I need to pay? Are there any limitations?

Individual counselling, workshops, and groups are available to you free of charge. Residents are able to access 10 counselling sessions per academic year. If you require additional support, we are happy to direct you to other resources.

What services does the Resident Wellness Office Offer?

The Resident Wellness Counsellor is able to assist you with a range of personal and professional concerns. The program has been created to promote and support health and wellness among medical residents.

The counsellor can help you work through and effectively cope with concerns such as stress and time management, anxiety, depression, career concerns, life transitions, and relationships. Speaking with a counsellor can help to bring clarity to situations and shed light on new ways of dealing with them.

The Resident Wellness Office

RWO Supports

The Resident Wellness Office offers many group supports to programs, often booked during an academic half-day to encourage residents to attend. If you are interested in any of these supports for program, please ask your Program Director or Chief Resident to contact the RWO. Further information on these supports can be found on [our website](#).

Workshops

The following workshops are available for you to choose according to the specific needs of the residents in your program :

- Resiliency in Adverse Events
- CBT Skills for Thriving through Residency
- Mindfulness Self Compassion in Residency

Group Supports

A variety of group supports are available to residents in all stages of their residency journey including:

- Wellness Rounds/Ice Cream Rounds
- Peer-Led Ice Cream Rounds
- Aim. Focus. Release: A Support Group for Residents on Leave

Peer Supports

See page 11 of this guide for further info!

The Resident Wellness Office

Elder Support

Counselling Services Provided by an Indigenous Elder

The Resident Wellness Office is thrilled to announce an exciting, new pilot project in partnership with an Indigenous Elder. During this next academic year all residents are welcome to request Indigenous Counselling and Elder Teachings through Elder Support at the Resident Wellness Office. Should there be a need to run a waitlist, Indigenous Residents, and those residents in the Indigenous Family Medicine Program will be prioritized for appointments. Elder Support will currently be available on most Mondays and Fridays from 9am-3pm.

If you are interested in Elder Support counselling services, please complete our [**Elder Support Request Form**](#) or contact resident.wellness@ubc.ca with the subject "Elder Support" to request and appointment.

"I just wanted to pass on how happy I am that we are able to meet with [an] Elder through the Resident Wellness Office. I met with her this morning and found it very beneficial. It was amazing to have a culturally appropriate counselling session and I hope this project continues as I can see how other residents would benefit."

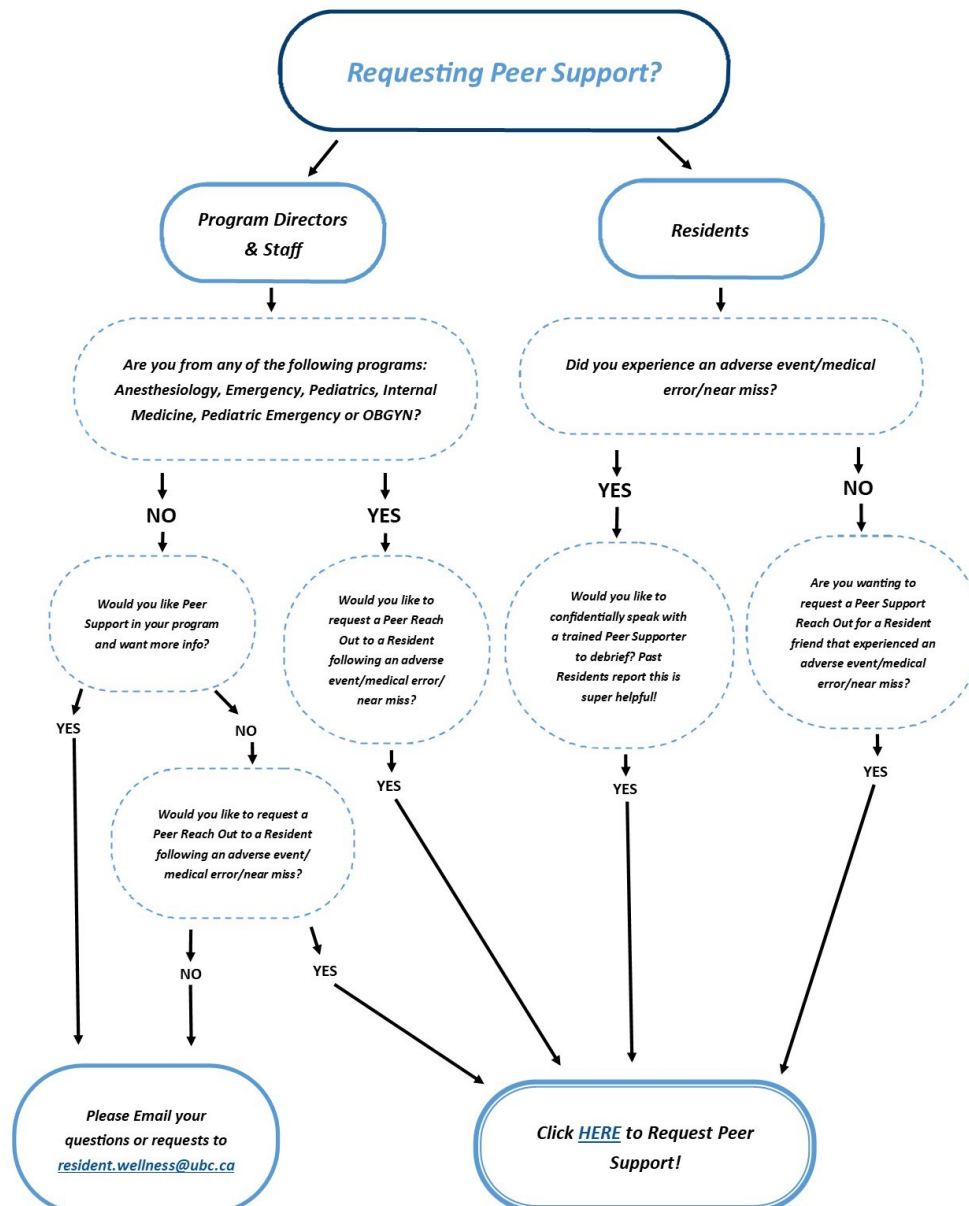

-IFMP Resident

The Resident Wellness Office

Peer Support

The Peer Support Program offers residents who experience an adverse event in the work environment an opportunity to talk to another Physician (Faculty or Senior Residents) for support in a confidential, non-judgmental environment. The Resident Wellness Office (RWO) has partnered with Dr. Jo Shapiro to implement her evidence-based Physician Peer Support program. If you're unsure about how to seek Peer Support, follow our helpful guide below.

Support Group for Residents on Leave

What is the Support Group?

Many residents that have gone on medical leave have described it as being a very stressful and isolating experience and have wanted a way to connect with other residents going through the same thing.

The Resident Wellness Office has created a 4 week support group called Aim. Focus. Release that meets once a week in a safe and confidential environment virtually. Learn healthy coping skills with a Registered Clinical Counsellor using the evidence based approach of Mindful Self-Compassion with other colleagues on leave.

How can I join?

Please contact the Resident Wellness Office by email to register for the program:
resident.wellness@ubc.ca.
