

Pre-Approved Mandatory Courses 2025/2026

Please find below approved courses that are eligible for reimbursement for academic year 2025/2026. PGME will process reimbursements up the maximum amount (if applicable) to residents providing the course is on this list and is mandatory requirement for their training per [PGME Mandatory Course Policy](#).

For group enrollments, PGME can process payments directly to course providers. Please complete the [Resident Reimbursement Form](#) and submit it with the attendee's list and invoices to PGME for processing.

If your program has a mandatory course that is not included in this list, Programs are required to submit a request to PGME for pre-approval. Please complete the Mandatory Course Request form and submit it to PGME(pgme.reimbursement@ubc.ca) for any additional course approval requests by July 31, 2025.
